Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Lumberton Community Center Construction project in fiscal year 2024. The entity to receive funding for this project is Lumberton Township, located at 35 Municipal Drive, Lumberton, NJ 08048.

The funding would be used for the construction of a new community center. This center will provide critical programming and community space for events, recreational activities, and other important community purposes. The project is an appropriate use of taxpayer funds because it will promote economic development, create jobs, and provide a welcoming and engaging community center for all residents.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andy Kim
Member of Congress
